

Message of Congratulations on the 30th Anniversary of the Constitutional Court of Ukraine

Dear Colleagues,

On the occasion of its 30th anniversary, I would like to extend, on behalf of the Constitutional Court of the Slovak Republic, our sincere congratulations and best wishes to the Constitutional Court of Ukraine, its judges and all those who have contributed to its work and development over the past three decades.

Thirty years of constitutional justice represent far more than a milestone in the history of an institution. They reflect three decades of safeguarding constitutional values, protecting fundamental rights and freedoms, and contributing to the development and stability of the constitutional order of Ukraine.

The Constitutional Court of the Slovak Republic considers the Constitutional Court of Ukraine to be a close and valued partner. It is with deep respect and admiration that we observe your steadfast dedication to fulfilling your mission under extraordinarily difficult conditions. Your resolve to uphold justice, even in the face of immense adversity, is an inspiration to the entire legal community.

I wish to assure you of our full support and solidarity. The Constitutional Court of the Slovak Republic stands ready to remain a reliable partner, to share our institutional experience, and to extend any assistance or cooperation you may require in your vital work in the challenging years ahead.

On this significant anniversary, I wish the Constitutional Court of Ukraine, its judges and staff, and all the people of your country continued strength, resilience, and, above all, a peaceful and secure future in which the rule of law serves as an unshakeable pillar of society.

Ivan Fiačan
